

WHITEVoid operates at the horizon where art, design and technology meet.

Our Berlin based multidisciplinary design studio is comprised of specialists in interaction, media and product design, architecture, mechanical and electronic engineering. Our installations and products are created for events, museums, trade fairs, festivals, concerts and clubs. Our house brand KINETIC LIGHTS is the leading specialist in kinetic lighting. Our products and designs have gained worldwide recognition and received several awards.

Kinetic Lights Event Technician (m/w)

We are looking for enthusiastic, reliable freelance technicians to assist us in installing and supporting our exciting Kinetic Lights projects.

WE OFFER:

- * A challenging role as event technician and/or operator in our fascinating kinetic lighting projects
- * Installing and operating our Kinetic Lights systems for our German and international shows, events and trade fair projects
- * A young, highly skilled and motivated team
- * Salary according to experience and skills (invoice-based)

YOUR QUALITIES & SKILLS:

- * Ability to work responsibly and reliably on your own as well as in our team
- * Technical training in the area of AV / event technology, especially lighting equipment

- * Understanding technical drawings
- * Good communication skills towards our team and our clients
- * Driving licenses e.g. truck, forklift desirable
- * German and/or English language skills

HOW TO APPLY:

If we have aroused your interest in this exciting task, send us your digital application with a CV and photo stating your salary expectations by e-mail.
