

WHITEVoid operates at the horizon where art, design and technology meet.

Our Berlin based multidisciplinary design studio is comprised of specialists in interaction, media and product design, architecture, mechanical and electronic engineering. Our installations and products are created for events, museums, trade fairs, festivals, concerts and clubs. Our house brand KINETIC LIGHTS is the leading specialist in kinetic lighting. Our products and designs have gained worldwide recognition and received several awards.

Kinetic Lights Operator (m/w)

We are looking for enthusiastic, reliable and creative freelance operators to support our exciting Kinetic Lights projects.

WE OFFER:

- * A challenging role as kinetic lights operator in our fascinating projects
- * Team leading our installations and operating our Kinetic Lights systems on German and international shows, events and trade fairs
- * A young, highly skilled and motivated team
- * Salary according to experience and skills (invoice-based)

YOUR QUALITIES & SKILLS:

- * Ability to work responsibly and reliably on your own as well as in our team
- * Technical training in the area of AV / event technology, especially lighting equipment

- * Experience in light consoles / grandMA desirable
- * Understanding technical drawings
- * Good communication skills towards our team and our clients
- * Driving licenses e.g. truck, forklift desirable
- * German and/or English language skills

HOW TO APPLY:

If we have aroused your interest in this exciting task, send us your digital application with a CV and photo stating your salary expectations by e-mail.
