

WHITEvoid operates at the horizon where art, design and technology meet.

Our Berlin based multidisciplinary design studio is comprised of specialists in interaction, media and product design, architecture, mechanical and electronic engineering. Our installations and products are created for events, museums, trade fairs, festivals, concerts and clubs. Our house brand KINETIC LIGHTS is the leading specialist in kinetic lighting. Our products and designs have gained worldwide recognition and received several awards.

Project Manager (m/w) Art & Event

Project Manager Art & Event leads the teams to perform their full potential, meeting internal and clients' needs based on technologies from different industries.

Your work field is very wide: exhibitions, space and installation coordination, performance and event promotion and other art & technology connected work. The primary focus is on major temporary and permanent immersive art installations, but you will be also highly involved in working with a creative and production hub for other activities of WHITEvoid including travelling exhibitions, temporary experiences, product development, etc.

YOUR TASKS:

- * Managing entire operations, dealing with spatial solution such as planning, proposing, installing and exhibiting projects
- * Ensuring a successful implementation through working closely with cross-divisional departments
- * Client, partners and sponsors communication arrangement
- * Coordination of exhibition and event-related trades, service partners, location partners and third-party companies
- * Project requirements management
- * Continuous planning, monitoring and optimization of processes and costs (progress and quality control)
- * On spot coordination (worksite management)
- * Directing installation art exhibitions and events that use architectural technics and technology (light, sound etc.)

WE OFFER:

- * Work in an interdisciplinary, agile team with in-house skills in architecture and exhibition design, creative programming, product design and development, construction and prototyping
- * Crafting in a modern prototype workshop
- * Unconventional and challenging international projects in the field of art, architecture, show and event
- * Scope for versatile development in your work
- * Close cooperation with the management
- * Employee profit sharing
- * Team events, delicious coffee and fun on the pinball machine

YOUR QUALITIES & SKILLS:

- * Business administration or event management degree or similar
- * Excellent organizational and leadership abilities
- * Strong communication, interpersonal and relationship building skills
- * Intensive negotiating skills
- * Experience in large scale Production or Construction
- * Several years of work experience in event and/or art management
- * Excellent software knowledge in MS Office, project management systems and overall high tech literacy and ability to adopt new tools and software quickly
- * Assertiveness, even at high workload
- * Driving license class B
- * German as mother tongue or very good German language skills
- * Excellent English language skills
- * Willingness to travel
