

WHITEvoid operates at the horizon where art, design and technology meet. The studio is comprised of specialists in interaction, media and product design, architecture, mechanical and electronic engineering.

We create interactive installations for museums, exhibitions and trade fairs, festivals, concerts, theatre productions and clubs.

Our house brand KINETIC LIGHTS is the leading specialist in kinetic lighting. For more than fifteen years our designs and products have earned awards and worldwide recognition for delivering professionally engineered lighting equipment.

Project Manager (m/f/d)

fulltime

Do you like facing exciting challenges? We are looking for a creative, dedicated and dynamic Project Manager (m/f/d) who passionately promotes and executes the growth of art as a business model – worldwide.

YOUR TASKS:

- * managing entire operations: planning, proposing, installing and exhibiting projects
- * ensuring a successful implementation in close cooperation with cross-divisional departments
- * on spot coordination (worksite management)
- * responsibility for strategy, budget, contract negotiations as well as presentations to customers and partners
- * further development of strategic relationships with clients, partners and sponsors
- * continuous planning, monitoring and optimization of processes and costs (progress and quality control)
- * support for acquiring new business opportunities

WE OFFER:

- * a challenging position
- * high level of self-management and organizational flexibility
- * extraordinary and challenging international projects in the field of art, architecture, show and event
- * highly motivated international team
- * employee profit sharing
- * Wild Card
- * Team events, BBQ, delicious coffee and fun at the pinball machine

YOU BRING:

- * degree in Business Administration/Event Management/Media Communication or similar
- * 5+ years of professional experience in event and/or art management/ creative agency
- * excellent organizational skills
- * strong communication, interpersonal and network building skills
- * strong negotiating skills
- * ownership, commitment and hands-on-mentality
- * conceptual thinking, creativity and out-of-the-box-thinking
- * fluent English and German language skills (further languages welcome)
- * willingness to travel

HOW TO APPLY:

We look forward to receiving your application including CV, motivation letter and salary expectations by e-mail.
