

WHITEvoid is an art and design studio. Our work spans a wide range of cutting-edge projects and scales worldwide. From architecture, interiors and light installations to interactive exhibits and custom-made applications, our architectonic designs realize complex unique ideas and adorn clubs, shops, exhibitions, shows and more.

The team comprises specialists in architecture, product design, event technology, and mechanical, electronics, and software engineering. Driven by technology, innovation, and experimentation, we dare to think big and push the boundaries of complexity and beauty in every project.

Our house brand KINETIC LIGHTS is the leading specialist in kinetic lighting. For more than fifteen years our designs and products have earned awards and worldwide recognition for delivering professionally engineered lighting equipment.
