

DARK MATTER redefines the interfaces between technology, creativity and interaction in order to create space for personal sensory experiences.

DARK MATTER is an exhibition made of expansive light installations within a converted factory. The exhibition introduces new and technical concepts, most of which will be made visible to the public for the very first time.

Event Technician (m/f/d) full-time

YOUR TASKS:

- * Commissioning, supervision as well as switching off the technical equipment
- * Correction of technical defects
- * All-round support of the light and sound installations
- * Care and maintenance of technical equipment and building technology
- * Installation, supervision and dismantling of technical equipment for temporary indoor and outdoor events (concerts, shows, parties)

YOU BRING:

- * Completed education as an event technician
- * At least 2 years of experience in event technology (light, sound, video)
- * Experience with lighting consoles and event technology control software is an advantage (e.g. GrandMA, Resolume, Beyond, Madrix)
- * Hands-on mentality and very good technical understanding
- * Holistic thinking and high ability to work under pressure
- * Distinct ability to work in a team
- * Very good knowledge of German and/or English
- * Partly assignment on weekends

**WE
OFFER:**

- * A highly motivated, international team and a friendly, open-minded working environment – we stand for openness and diversity
- * Independent work, flat hierarchies, and the opportunity to contribute your own ideas
- * Free coffee and beverages
- * Team events such as shared BBQ evenings and summer parties
- * Discounted Urban Sports Club membership
