

DARK MATTER redefines the interfaces between technology, creativity and interaction in order to create space for personal sensory experiences.

DARK MATTER is an exhibition made of expansive light installations within a converted factory. The exhibition introduces new and technical concepts, most of which will be made visible to the public for the very first time.

## Senior Event Technician (m/f/d)

full-time | Berlin

### YOUR TASKS:

- \* Commissioning, supervision, and shutdown of technical systems and installations in daily operation
- \* Troubleshooting and resolution of complex technical issues
- \* Full responsibility for the operation and optimization of light and sound installations (with strong focus on lighting)
- \* Programming and operation of lighting consoles (e.g. GrandMA)
- \* Working with and supporting control systems and media servers (e.g. TouchDesigner, Resolume, Madrix, Beyond)
- \* Maintenance and servicing of technical equipment and building systems
- \* Installation, supervision, and dismantling of technical equipment for temporary indoor and outdoor events (concerts, shows, parties)
- \* Ensuring high technical quality and smooth execution of installations and daily operations
- \* Supporting and guiding less experienced technicians when needed
- \* Contributing to the improvement and optimization of technical processes

### YOU BRING:

- \* Completed education as an event technician and qualification as Meister für Veranstaltungstechnik (or equivalent)
- \* At least 3 years of professional experience in event technology
- \* Strong experience with lighting consoles and control systems (especially GrandMA)
- \* Experience with media servers and control software

- \* Very good understanding of lighting systems, fixtures, and technical setups
- \* Experience with troubleshooting and working in complex technical environments
- \* Hands-on mentality and very strong technical understanding
- \* Structured and solution-oriented way of working, even under pressure
- \* Strong team player with the ability to take responsibility on-site
- \* Very good English skills (German is a plus, but not mandatory)
- \* Willingness to work weekends when required

**WE  
OFFER:**

- \* A highly motivated, international team — we stand for openness and diversity
- \* Independent work, flat hierarchies, and the opportunity to contribute your own ideas
- \* Free German language courses at a centrally located partner school
- \* Attractive discounts for Urban Sports Club memberships
- \* Team events such as BBQs and summer parties
